As member of the management team in Domino Print & Apply (DPA), the Finance Director is responsible for ensuring effective financial control across the DPA business and for the implementation of policies, process and procedures that promote and enable delivery of business goals.

Area of responsibility

- Provide Commercial and Financial support to the Managing Director and management team of DPA including management accounting information to provide functional management with the tools they need to manage the business and deliver commitments.
- Play a full role alongside the DPA MD to provide leadership and direction to the business.
- Lead cross functional projects to drive business efficiencies, improve reporting and increase value add of Finance input to the business.
- Establish ownership and accountability for all DPA costs and work with line management to target and deliver efficiency gains and other profit improvements.
- Coordinate and ensure timely preparation of the monthly Group management reporting submission and quarterly and year-end statutory reporting packs to meet Group reporting deadlines
- Management and supervision of the DPA Finance and administration heads, including IT/IS
- Develop a relationship with the Domino Group and European Finance teams.
- Develop relationships across the broader Domino Group PALM organisation. Establish a network to help support delivery of PALM business goals.

The ideal candidate

The person we are looking for is working as a finance manager or Business Controller today in an international or global production environment with many different stakeholders. You have been exposed to “best practice” management and control of manufacturing and engineering operations and you have a Master’s degree in finance with a minimum 8-10 years of relevant experience with good knowledge of finance.

As a person, you have excellent people and communication skills, a good team player with strong numerical skills and full command of the Swedish and English language. An analytic mind set and ability to make quick but good decisions and attention to details are key factors to succeed in this role. You are used to and enjoy working in a changing environment. Oracle experience will be advantageous.

Based in Malmö, Sweden, the role requires some travel to the UK to establish and maintain relationships within the wider Domino Group.

Candidate selection will be ongoing, please submit your application, with attached CV, as soon as possible but no later than May 15th to:
